

That Kid: A Mini Case Study

Think about a student who presents you with a challenge. Jot down all you know about this student in each of the categories below.

| | |
|--|---|
| What does this student like? | What does this student dislike? |
| What are this student's strengths? | What are this student's challenges? |
| Describe a situation in which you've seen this student succeed: | Describe a situation in which you've seen this student really struggle: |
| Describe the specific problems you are having with this student: | |
| What have you already tried? | |
